## 2018 Mid-Year Parent Teacher/Student Led Conferences

Dear Parents/Carers

The year is really flying! We have almost completed Semester 1 and are busy planning for Semester 2. This year, our Parent Teacher interviews will take place in **Week Eleven -Tuesday 26<sup>th</sup> June (1:40pm-7:30pm)**.

As part of a new initiative, our Year 2-6 classes will be having Student-Led conferences with their parents and teacher. The aim of these are for students to showcase and take pride in their learning, demonstrating what they have been doing in the classroom and taking a front seat in setting some goals for the remainder of the year. There will still be opportunities for parents to ask the teacher questions. Our F-1 students will obviously have a Parent Teacher interview facilitated by the child's teacher, although the children are most welcome to attend.

This is a fantastic time to discuss your child's report and discuss any concerns or goals for the remainder of the year. It is also an opportunity for teachers, parents and students on Individual Learning Plans to reflect on their progress and set some future aims. Appointments will be scheduled for 10 minutes each. If you need to speak to your child's teacher for a longer time slot, please feel free to schedule a longer meeting for another day.

Please fill out the form below and return it to the classroom of the eldest child in your family. The teachers will work together to ensure that siblings are allocated times as close together as possible. The eldest child in each family will bring home one Interview Time Sheet, recording all the times for the children in that family. Interview times will be allocated on a "first in first serve" basis and we will endeavour to accommodate all families. If the day or time is not convenient, please make arrangements with teachers to find a suitable time.

Regards

Jacqui Cutler
