2018 Year 6 Waratah Beach Camp

Dear Year 6 Parents,

We are pleased to invite your child to attend our 2018 Year 6 Waratah Beach Camp, located near Wilson's Promontory. This will be our first time at Waratah Beach Camp and we are looking forward to exploring the beach environment and having new experiences with our students. We are heading off on Monday the 21st of May and will be returning Wednesday the 23rd. The camp provides for a range of activities, including offering the children practise in water safety skills, teamwork, self-discipline, cooperation and independence.

The cost of the camp is still yet to be determined, however it should be around \$260, and will include meals, snacks, heated accommodation, all activities, use of camp facilities and travel to and from the camp. As of 2018, there is a current government initiative of Swimming in Schools, which has provided a subsidy for the teaching of water safety and competency. Therefore, our students will be receiving a surf lesson at no cost to the families, which is terrific.

To plan adequately, we need numbers of attendees and as such, a deposit of \$50 is required to secure a place for your child. This is due by Wednesday March 28th.

Information packs and final details regarding payment will be sent out at the start of Term 2. If there are any questions or concerns, please contact Jackie Hope, our Year 6 Camp Coordinator.
